A Bill to amend the Indian Medical Degrees Act, 1916, in its application to the Province of Madras for a certain purpose.

WHEREAS it is expedient to amend the Indian Medical Degrees Act, 1916, in its application to the Province of Madras for the purpose hereinafter appearing; It is hereby enacted as follows:—

1. This Act may be called the Indian Medical Degrees (Madras Amendment) Act, 1940.

17-4-40

Acts and
provisions to
Act VII of
1916.

tion of the

2. In the long title and in the preamble to the Indian Medical Degrees Act, 1916 (hereinafter referred to as the said Act), for the words "of such titles", the words "of such titles and of titles implying qualifications in other systems of medicine" shall be substituted.

3. After section 6 of the said Act, the following section shall be inserted, namely:—

" 6-A. (1) No person shall add to his name any title, description, letters or abbreviations which imply that he holds a degree, diploma, licence or certificate or his qualifications to practise any system of medicine unless—

- (a) he actually holds such degree, diploma, licence or certificate; and
- (b) such degree, diploma, licence or certificate—
 - (i) is recognized by any law for the time being in force in British India or in any part thereof; or
 - (ii) has been conferred, granted or issued by an authority referred to in section 3; or

 - (iv) in cases not falling under sub-clause (i), sub-clause (ii) or sub-clause (iii), has been conferred, granted or issued by an authority empowered, or recognized as competent, by the Provincial Government to confer, grant or issue such degree, diploma, licence or certificate.

(2) Whoever contravenes the provisions of sub-section (1) shall be punished in the case of a first conviction, with fine which may extend to two hundred and fifty rupees and in the case of a subsequent conviction, with fine which may extend to five hundred rupees."

STATEMENT OF OBJECTS AND REASONS.

The Indian Medical Degree Act, 1916 (VII of 1916), does not contain any provisions to prevent unqualified medical practitioners from assuming bogus titles similar to medical degrees and diplomas granted by competent authorities. There have been cases in which such practitioners have used titles such as D.M.B., M.D.B., F.R.C.S. (India), etc., with a view to misgauge the general public into a belief that the practitioners are qualified medical men possessing high qualifications. The assumption of such titles by unscrupulous persons is highly dangerous to society. The question of undertaking Ad-hoc legislation for the purpose was under the consideration of the Government of India for a long time, but in 1935 they pointed out that under the new Constitution any Provincial Government might themselves undertake such legislation if they felt the need for it. It is therefore proposed to amend the Indian Medical Degree Act, 1916, so as to penalise unauthorised use by medical practitioners of titles, etc., implying qualifications in any system of medicine.

It may be stated that this measure was under consideration when the late Ministry resigned office.

(By order of His Excellency the Governor)

P. ATPU NAIR,

Secretary to Government, Legal Department.
